

Midwest Microcurrent, LLC

When Knowing Counts!

Alpha-Stim[®] for Animals

Training Seminar

Friday March 20 and Saturday March 21, 2009

You will learn:

888-583-0944

- SIGN UP NOW TO BE A PART OF THIS GREAT OPPORTUNITY TO LEARN HOW TO USE AND SELL ALPHA-STIM[®] TECHNOLOGY!
- 12 CE Credits for doctors and technicians
- PRESENTED BY
- DR. AVA FRICK

- The history and research behind Alpha-Stim[®] technology
- How to use and apply the probes, ear clips, and AS-Trodes to animals
- How to train veterinary staff & clients for proper application as well as care and maintenance of this medical equipment
- How to confidently use the devices for a variety of conditions in a variety of species
- An effective way to implement, lease, and sell in a practice

Friday's lecture is held at a nearby conference center. Saturday is hands-on with dogs and horses at Dr. Frick's clinic.

Come prepared to have fun, get educated, and work with animals!

CE credits available for veterinarians and technicians.
